EXPERIENCE

Janta Group – Web Developer Intern

sept 2022 – oct 2022

- Created end-to-end ecommerce websites using HTML, CSS & Wordpress for clients, keeping their requirements in mind.
- Worked closely with clients to understand their business requirements and translated their requirements into a robust dynamic wordpress website.
- Customized previous projects by adding elegant UI features and restructured them to deliver better user experience using technologies like HTML-5, CSS-3 & Javascript.
- Modified previous websites by making it 100% responsive and by writing well indented & commented codes for future modifications & improvisation.
